### Lagoon 420

## Layout

Version 4 cabins / 4 cabin version

Length overall	10,51 m.
Waterline length	12,75 m.
Overall beam	6,28 m.
Draft	1,75 m.
Light displacement	14,31 t.
Engine Yanmar	hp 2x40
Fuel tank capacity	1.2 x 299
Transmission	S-Drive

4 cabins with queen size bed, 4 washrooms with separate shower on a boat less than 42 ft long: **a spacious boat!**

A dynamic look: **a modern boat!**

- Helm station with twin seats at the heart of the cockpit: **a boat for all the family!**
- All control lines brought back to the helm station: **an easy boat!**
- Longitudinal beam that can include small bowsprit and mooring gear: **a smart boat!**
- Rigid Bimini top with optional sides and back panels: **a safe boat!**
- A tall rig, a gullwing shaped bridgedeck and an overlapping genoa: **a fast boat!**
- 4 cabins with queen size bed, 4 washrooms with separate shower on a boat less than 42 ft long: **a spacious boat!**
- A combination of what must be on a boat and what you thought you would never find: **A LAGOON!**

**The Lagoon 420 is offered with 2 propulsion systems:**

- Standard engines with sail drive
- Hybrid: two electric motors, a generator, a bank of batteries. Under sail, the propellers are driven by the speed of the boat and recharge the batteries: this is called regeneration. An innovative system, ecological and quiet - a world exclusive on the Lagoon 420.

The deck is uncluttered so moving around is easy: wide sidedecks, flush deck hatches, large foredeck, plenty of lockers. The aft passerelle allows passage from one transom to the other without going back up in the cockpit.

There are many ways to enjoy life on board the Lagoon 420: the cockpit with its large benchseats and table, is protected from the sun and bad weather by a rigid bimini top; the foredeck is ideal for relaxing. The helm station was designed to enable a reduced crew to maneuver without difficulty: all the control lines can be handled by one person from the helm station, freeing the other living spaces for the guests.

- Priority has been accorded to comfort when designing the interior of the Lagoon 420.
- The light oak Alpi woodwork and the laminated wenge floor give a modern and relaxing feel.

- The layouts of the two hulls in the 4 cabin version are symmetrical: there is a central double bed in each cabin, a washroom with separate shower, large hull windows, lockers...

- The port hull of the 3 cabin owners' version is in fact a suite: large bed, sofa, numerous lockers and hanging lockers, washroom with separate shower.
